Union

**ORDER WITHDRAWING NOTICE OF REPRESENTATION  
HEARING AND DISMISSING PETITION**

Pursuant to a petition filed on January 31, 2005, in connection with the above-captioned matter, a Notice of Representation Hearing issued on the same date. No hearing has been held to date. An administrative investigation of certain relevant issues discloses that employees in the petitioned-for unit (mechanics) are part of a much larger unit encompassing mechanics and fuelers who work at or out of the Employer's 5701 West Imperial Highway, Los Angeles, California facility. Inasmuch as Petitioner's proposed unit is not coextensive with the well established existing bargaining unit which includes the fuelers, I conclude that further processing of the instant petition is unwarranted. Accordingly,

IT IS HEREBY ORDERED that the Notice of Representation Hearing previously issued in this matter be, and it hereby is, withdrawn, and

IT IS FURTHER ORDERED that the petition for representation be, and it hereby is, dismissed.<sup>1/</sup>

Signed at Los Angeles, California this 24th day of February 2005.

---

James J. McDermott, Regional Director  
National Labor Relations Board  
Region 31

---

<sup>1/</sup> Pursuant to Section 102.71 of the National Labor Relations Board's Rules and Regulations, Series 8, as amended, any party may obtain a review of this action by filing a Request for Review with the National Labor Relations Board in Washington, D.C. A copy of the Request for Review must be served upon each of the other parties to these proceedings, including the undersigned. The Request for Review must contain a complete statement setting forth the facts and reasons on which the request is based. The Request for Review (eight copies) should be filed with the Board by close of business **March 10, 2005**. Requests for an extension of time within which to file the Request for Review must be filed with the Board in Washington, D.C. and a statement of service must accompany such a request. Please go to <http://gpea.nlr.gov> for e-filing requirements.
